
William S. Shaw, Ph.D.

Curriculum Vitae

February 2020

Current position: **Associate Professor**
Chief, Division of Occupational and Environmental Medicine
Department of Medicine
Department of Public Health Sciences
University of Connecticut School of Medicine
263 Farmington Avenue
Farmington, CT 06030-2945
(860) 679-8946
wshaw@uchc.edu

Adjunct positions: **Adjunct Scientist**
Institute for Work & Health
481 University Avenue, Suite 800
Toronto, Ontario M5G 2E9 Canada
(416) 927-2027

Adjunct Scientist
Research Institute for Enhancing Prevention of Injury and Disability at Work (EPID@Work),
Lakehead University
955 Oliver Road
Thunder Bay, Ontario P7B 5E1 Canada
(807) 343-8961

EDUCATION:

Post-doctoral, 2000 **Georgetown University Medical Center**
Washington, DC
Department of Psychiatry
Advisor: Michael Feuerstein, Ph.D.
Specialization: Occupational Health Psychology

Ph.D., May 1998 **San Diego State University/University of California, San Diego**
San Diego, California
Joint Doctoral Program in Clinical Psychology
Specialization: Clinical Psychology (focus area in Behavioral Medicine)
Advisor: Igor Grant, M.D.
Dissertation: *The effect of inhibition of hostility on blood pressure in stressed Alzheimer caregivers*

B.S., May 1983 **The Pennsylvania State University**
University Park, Pennsylvania
School of Engineering
Advisor: David Krantz, Ph.D.
Specialization: Civil Engineering (focus area in Hydraulics and Hydrology)

MAJOR RESEARCH AREAS:

Occupational health, pain management, disability prevention, chronic illness, psychosocial factors in health and disability, job accommodation, opioid use, employer disability management practices, workers' compensation, injury rehabilitation, worksite wellness, health care services, patient counseling and education, organizational interventions, return-to-work programs, supervisor disability management training, disability policy.

EMPLOYMENT:

- 2017 – present **Associate Professor and Chief**, Division of Occupational and Environmental Medicine, Departments of Medicine and Community Medicine, University of Connecticut Health Center Farmington, CT
- 2000 - 2017 **Principal Research Scientist**
Liberty Mutual Research Institute for Safety
Hopkinton, MA
- 1998 - 2000 **Postdoctoral Research Fellow in Occupational Health Psychology**
Georgetown University Medical Center, Department of Psychiatry
Washington, DC
- 1997 - 98 **Pre-doctoral Intern in Clinical Psychology**
University of Maryland at Baltimore (UMB)
School of Medicine, Department of Psychiatry
- 1993 - 97 **Research Assistant**
Alzheimer Caregiver Project
School of Medicine, University of California, San Diego
- 1993 - 94 **Research Assistant**
Project USE (Osteoarthritis Psychosocial Intervention)
San Diego State University Foundation
San Diego, California
- 1985 - 93 **Director, Civil Engineering**
Robert Bein, William Frost & Associates
Irvine, California
- 1983 - 85 **Consulting Civil Engineer**
Dewberry & Davis Consulting Engineers
Fairfax, Virginia
-

AWARDS AND HONORS:

- 2018 **Honorary Doctoral Degree**, Örebro University, Örebro, Sweden
- 2015 **Meredith Lecturer**, Workers' Compensation Board Alberta, Edmonton, Alberta, Canada.
- 2010 **3rd place, PREMUS (Prevention of Musculoskeletal Disorders) conference best paper competition**, Angers, France.
- 2009 **Keynote Lecturer**, 2009 Annual Conference of the South Australian Work Cover Authority, Adelaide, South Australia, AUS.
- 2008 **Bradney W. Norington Keynote Address**. Awarded by the Australasian Faculty of Rehabilitation Medicine.
- 2008 **NORA Innovative Research Award for Worker Health and Safety**. Awarded by the US National Institute of Occupational Safety and Health
- 2006 **Research travel award from the Scan/Design by Inger and Jens Brun Foundation** to facilitate collaborative pain research between the US and Scandinavia. Awarded by the International Association for the Study of Pain.
-

EDITORIAL BOARDS:

- Associate Editor, Journal of Occupational Rehabilitation (2002-present)
- Section Editor, Scandinavian Journal of Pain, *Clinical Sciences – Chronic Pain* (2016 – present)
- Editorial Board, Occupational Health Science (2016 – present)
- Editorial Board, Journal of Occupational Health Psychology (2010 – present)
- Associate Editor, BMC Musculoskeletal Disorders (2010-2013)

LICENSURE:

1. Clinical Psychologist, State of Maryland, #03593 (2000 – present)
2. Clinical Psychologist, State of Connecticut, #03781 (2018 – present)
3. Registered Civil Engineer, State of California, #041110 (1986 – present)

CONSULTING:

- 2017 IMPAQ International, LLC. (Columbia, MD). Participated as a team member and lead writing partner for the Musculoskeletal Disorders and Pain Management Policy Working Group of the Stay-at-work/Return-to-Work Policy Collaborative. Contributed to the development of a Policy Action Paper as well as outreach and dissemination materials.
- 2016-2017 Mathematica, Inc. (Washington, DC). Participated as a member of the Stay-at-Work/Return-to-Work Policy Collaborative sponsored by the Office of Disability Employment Policy (ODEP), US Department of Labor. Contributed to the development of a report identifying primary policy domains related to prevention of work disability.

APPOINTMENTS:

- 2019 – present Member, Medical Advisory Board
State of Connecticut Workers' Compensation Commission
- 2016 – present Chair, Safety and Occupational Health Study Section
Centers for Disease Control and Prevention
U.S. Department of Health and Human Services
Washington, DC
- 2013 – present Adjunct Scientist, Institute for Work & Health
Toronto, ON, Canada
- 2014 – present Member, Stay-at-Work/Return-to-work (SAW/RTW) Working Group
U.S. Dept. of Labor, Office of Disability and Employment Policy (ODEP)
Washington, DC
- 2015 – present Secretary, ICOH Scientific Committee on Work Disability Prevention and Integration,
International Commission on Occupational Health
- 2016 – 2017 Member, External Advisory Committee
Center for Health, Work and Environment
Colorado School of Public Health
Aurora, CO
- 2002 - 2017 Instructor, University of Massachusetts Medical School
Department of Family Medicine and Community Health
Worcester, MA

TEACHING EXPERIENCE:

- 2019 – present Graduate teaching, Public Health Interventions (3 credits), UConn Health
- 2012 – present Invited guest lecturer, Harvard University School of Public Health, Executive and Continuing Education: Ergonomics and Human Factors Course, Boston, MA.
- 2007 – 2015 Chair Mentor, Work Disability Prevention CIHR Strategic Training Program
University of Sherbrooke, Longueuil (Québec), Canada
- 2002 – 2017 Instructor, University of Massachusetts Medical School
Department of Family Medicine and Community Health

TEACHING EXPERIENCE (cont'd):

1999 – 2000	Instructor, Georgetown University Department of Psychology, Washington, DC
1998 – 1999	Adjunct Assistant Professor, Uniformed Services University of the Health Sciences, Department of Medical & Clinical Psychology Bethesda, Maryland
1993 – 1997	Adjunct Assistant Professor, San Diego State University Department of Psychology San Diego, California

MEMBERSHIPS:

American Psychological Association (APA)
Division 38, Health Psychology
Connecticut Psychological Association (MPA)
Society of Behavioral Medicine (SBM)
International Association for the Study of Pain (IASP)
International Association of Rehabilitation Professionals (IARP)
Society for Occupational Health Psychology (SOHP)
International Scientific Advisory Committee
International Commission on Occupational Health (ICOH)
Secretary, Scientific Committee on Work Disability Prevention & Integration
Employee Assistance Professionals Association (EAPA)
American Association on Health & Disability (AAHD)
American Pain Society (APS)
Case Management Society of America (CMSA)
Case Management Society of New England (CMSNE)
American Chronic Pain Association (ACPA)
North American Spine Society (NASS)
Society of Occupational Medicine (UK)

EXTERNAL PROMOTION/TENURE REVIEWS:

Nov 2019 University of Minnesota, School of Public Health, Minneapolis, MN
Nov 2019 Keele University, Faculty of Medicine and Health Sciences, Staffordshire, UK

MENTORSHIP OF POST-DOCTORAL FELLOWS:

2019-present **Brittany Gaines, Ph.D.**, University of Connecticut Health Center, Division of Occupational and Environmental Medicine (Principal Mentor): “Early return-to-work for musculoskeletal injuries”.

2016-2017 **Susan Peters, Ph.D.**, Harvard School of Public Health, HSPH/Liberty Mutual post-doctoral fellowship in occupational health and safety (Principal supervisor): “Feasibility of an early screening and intervention protocol to prevent back disability in a US occupational medicine setting”.

2012-2014 **Candace C. Nelson, Ph.D.**, Harvard School of Public Health, HSPH/Liberty Mutual post-doctoral fellowship in occupational health and safety (Principal supervisor): “Supervisor support for workers with chronic health conditions”.

MENTORSHIP OF POST-DOCTORAL FELLOWS (cont'd):

- 2010-2012 *Silje Endresen Reme, Ph.D.*, Harvard School of Public Health, HSPH/Liberty Mutual Post-doctoral fellowship in occupational health and safety (Principal supervisor): “Early screening and intervention to prevent back disability”.
- 2008-2010 *Torill H. Tveito, Ph.D.*, Harvard School of Public Health, HSPH/Liberty Mutual Post-doctoral fellowship in occupational health and safety (Principal supervisor): “Workplace self-management intervention for chronic pain”.
- 2008-2009 *Edward Chin, M.D.*, Harvard School of Public Health, Occupational Medicine Residency Program (Principal Research Supervisor): “Discussion of workplace factors in an initial medical evaluation for occupational acute low back pain”.
- 2004-2005 *Sachin Kapoor, M.D.*, Harvard School of Public Health, Occupational Medicine Residency Program (Principal Research Mentor): “Comparing provider and patient assessments of back pain prognosis”.
- 2003-2005 *Ann Zaia, R.N.*, Harvard School of Public Health, MPH Program in Occupational Medicine (Principal Research Mentor): “Provider communication and patient satisfaction for treatment of acute low back pain”.

RESEARCH MENTORSHIP OF MEDICAL STUDENTS:

- 2009 *Mary Geehern-Lavoie, B.S.*, University of Massachusetts Medical School (Summer Research Practicum): “Adapting principles of chronic pain self-management to the workplace”.
- 2007 *Craig Longo, B.S.*, University of Massachusetts Medical School (Summer Research Practicum): “Patient-provider communication to reduce back disability”.

DISSERTATION EXAMINER/OPPONENT:

- Aug 2018 Tahira Haider, University of New England, Australia: “Evidence-based practice by psychologists treating secondary psychological injuries within State insurance regulatory authority governed frameworks”
- Mar 2014 Sofia Bergbom, Orebro University, Sweden: “Psychologically informed interventions for workers at risk of pain-related disability”
- May 2013 Saad AL-SAAD, The University of Sydney, Australia: “The effects of low back pain on patient’s sleep”
- Dec 2010 Åsa Tjulin, The University of Linköping, Sweden: “Workplace social relations in the return-to-work process”

CLINICAL PRACTICE:

- 1998-1999 **Postdoctoral Fellowship in Occupational Health Psychology**
Georgetown University Medical Center
School of Medicine, Department of Psychiatry
Washington, DC (Supervisor: Michael Feuerstein, Ph.D.)
- 1997-1998 **Predoxal Internship in Clinical Psychology**
University of Maryland at Baltimore
School of Medicine, Department of Psychiatry
Baltimore, Maryland (Supervisor: Michael E. Stefanek, Ph.D.)
- 1996-1997 **Predoxal Practicum in Clinical Psychology**
The Center for Social Services, San Diego County AIDS Response Program
San Diego, California (Supervisor: Lois G. Gail, Ph.D.)

CLINICAL PRACTICE (cont'd):

- 1995-1996 **Predoctoral Practicum in Clinical Psychology**
University of California, San Diego Medical Center
Psychiatry Consultation/Liaison Service
San Diego, California (Supervisor: Joel E. Dimsdale, M.D.)
- 1994-1995 **Predoctoral Practicum in Clinical Psychology**
San Diego State University Psychology Clinic, Atypical Disorders Clinic
San Diego, California (Supervisor: Gerald Rosenbaum, Ph.D.)

EXTERNAL RESEARCH FUNDING (SUBMITTED REQUESTS):

- 2018-2020 **Co-investigator**, Employing self-Management Practices for Occupational well-being, Work ability, self-Efficacy, and Resilience (EMPOWER): A trial of a novel web-based behavioral intervention with telephonic coaching, PI: Alyssa McGonagle, PhD, University of North Carolina – Charlotte, NC, Submitted to CDC/National Institute of Occupational Safety and Health, October 2018.
- 2018-2020 **Co-applicant**, Improving workplace mental health for First Nations workers: Phase one of a feasibility study for a workplace intervention, PI: Vicki Kristman, PhD, Lakehead University, Ontario, Submitted to WorkSafe BC, January 2017.
- 2020-2023 **Primary mentor**, Surviving at work: Reducing workplace and clinical barriers to cancer survivors returning to work, PI: Alicia Dugan, PhD, University of Connecticut School of Medicine, submitted to National Institute of Occupational Safety and Health, April 2019.

EXTERNAL RESEARCH FUNDING:

- 2020 – 2024 **Co-investigator**, Occupational safety and health training project grant (2 T03 OH008610-16). PI: Vicki J. Magley; funded by the CDC, National Institute of Occupational Safety and Health (NIOSH) (USD 750,000).
- 2018 – 2020 **Principal Investigator**, Workers' Compensation and the opioid epidemic: Analysis and research design options. PI: William Shaw, funded by the U.S. Department of Labor, Office of Disability Employment and Policy (ODEP) (USD 131,201).
- 2018 – 2020 **Co-applicant**, Retaining employment and talent after injury/illness network (RETAIN) demonstration project. PD: Kathleen Moriani, Connecticut Department of Labor, funded by the U.S. Department of Labor, Office of Disability and Employment Policy (ODEP) (USD 2,111,269).
- 2018 – 2020 **Co-investigator**, Workplace, supervisor, worker, and accommodation factors associated with workers' compensation outcomes: an ecological study, PI: Vicki L. Kristman, PhD, Lakehead University, Thunder Bay, Ontario, Canada, funded by the Workers' Compensation Board of Manitoba, Canada (CAD 195,400)
- 2018 – 2020 **Co-applicant**, A pilot study of pain phenotypes of injured workers with chronic low back pain, PI: Lisa Carlesso, PhD, University of Montreal, Quebec, Canada, funded by the Institut de recherche Robert-Sauvé en santé et en sécurité du travail (IRSST) of Quebec, Canada (CAD 40,000).
- 2018 – 2023 **Co-investigator**, Accommodating and communicating about episodic disabilities (ACED): a partnership to deliver workplace tools and resources to sustain the employment of people with chronic, episodic conditions, PI: Monique Gignac, PhD, Dalla Lana School of Public Health, University of Toronto, Ontario, Canada, funded by the Social Sciences and Humanities Research Council of Canada (CAD 1,424,864).

EXTERNAL RESEARCH FUNDING (cont'd):

- 2018 – 2020 **Co-investigator**, Scientific Advisory Board, Prevent Sick Leave (PS): An RCT on the effects of a workplace-focused program to prevent stress- and pain-related sick leave, PI: Ida Flink, Ph.D., Orebro University, Orebro, Sweden, funded by Swedish Research Council for Health, Working Life, and Welfare (SEK 5,121,293).
- 2017 – 2019 **Consultant**, Understanding labour force participation, work productivity and disability in the Indigenous context: a partnership with the Nokiwin Tribal Council, PI: Vicki Kristman, PhD, Lakehead University, Ontario, funded by the Social Sciences and Humanities Research Council, Canada (CAD 200,000).
- 2016 – 2018 **Co-investigator**, Supervisor and worker perspectives on workplace accommodations for mental health, PI: Vicki Kristman, PhD, Lakehead University, Ontario, funded by the Workers' Compensation Board of Manitoba (CAD 154,889).
- 2013 – 2015 Co-investigator, Defining the theoretical basis of work rehabilitation programs: a realist review, PI: Marie-José Durand, PhD, Université de Sherbrooke, Longueuil (QC), Canada, funded by Institut de recherché Robert-Sauvé en santé et sécurité au travail du Québec (IRSST). (CAD 198,875).
- 2013 – 2014 Co-applicant, A supervisor training program for work disability prevention: a cluster randomized controlled trial, PI: Vicki L Kristman, PhD, Lakehead University, Ontario, Canada, funded by Canadian Institutes of Health Research (CAD 100,000).
- 2013 – 2015 Co-applicant, Clinical decision support tools for managing disabling musculoskeletal disorders, PI: Douglas Gross, University of Alberta, Canada, funded by Workers' Compensation Board of Manitoba (CAD 88,805).
- 2012 – 2013 **Co-investigator**, Knowledge, skills, and behaviours required by supervisors to facilitate a return to work after a mental disorder or musculoskeletal injury, PI: Venerina Johnston, PhD, University of Queensland, Australia, funded by Institute for Safety, Compensation, and Recovery Research (AUD 39,232).
- 2010 – 2012 **Co-investigator**, Supervisors' perspectives on accommodating back injured workers: A mixed-methods study, PI: Vicki L Kristman, PhD, University of Toronto, Ontario, Canada, funded by Canadian Institute of Health Research (CAD 90,000).
- 2009 – 2015 **Co-investigator**, Training program in work disability prevention. PI: Patrick Loisel, MD, University of Toronto, Ontario, Canada, funded by Canadian Institute of Health Research (CAD 1,950,000).
- 2008 - 2011 **Consultant**, Interactions of biomechanics and psychosocial stressors and MSDs in the modern office (R01 OH008781-01), PI: Jack Tigh Dennerlein, PhD, Harvard School of Public Health, Boston, MA, funded by US National Institute of Occupational Safety & Health (USD 1,267,079).
- 2007 - 2008 **Collaborator**, Competencies and practices for effective return-to-work facilitation, PI: Patrick Loisel, MD, Sherbrooke University, Montreal, Quebec, Canada, funded by Ontario Workplace Safety and Insurance Board, Canada (CAD 71,500).
- 2003 – 2008 **Co-investigator**, Preventing co-morbid mental and physical health disability (2R01 MH046452-08), PI: Robert J. Gatchel, Ph.D., UT Southwestern Medical Center at Dallas, TX, funded by US National Institute of Mental Health. (USD 2,065,980).
- 2003 – 2005 **Consultant**, Treatment of chronic pain – Consumer and provider concerns: An exploratory study in diverse community health centers and clinics (R03 HS013455-01A1), PI: Carole Upshur, Ph.D., University of Massachusetts Medical School, Worcester, MA, funded by US Agency for Healthcare Research and Quality and US National Institute of Mental Health (USD 100,000).

EXTERNAL RESEARCH FUNDING (cont'd):

- 2001 – 2005 **Consultant**, Model of integrative care in an academic health center (R01 AT00905-01), PI: David M. Eisenberg, M.D., Harvard Medical School, Boston, MA, funded by US National Institutes of Health, Center for Complementary & Alternative Medicine (USD 1,870,804).
- 1999 – 2004 **Consultant**, Work injuries of older workers (R01 OH003937-02), PI: Glenn Pransky, M.D., University of Massachusetts Medical School, Worcester, MA, funded by US National Institute of Occupational Safety and Health (USD 518,028).
- 1998 – 2001 **Consultant**, Maximizing outcomes in the Federal workers' compensation system (FECA) through integrated case management (Grant #034366), PI: Michael Feuerstein, Ph.D., Georgetown University Medical Center, Washington, DC, funded by The Robert Wood Johnson Foundation (USD 481,104).

INTRAMURAL RESEARCH FUNDING (Liberty Mutual Research Institute for Safety):

- 2012 – 2015 Role: Principal Investigator
Title: A cluster-randomized trial of a patient screening and early intervention trial to prevent back disability (LMRIS #12-05), PI: William S. Shaw.
- 2012 – 2014 Role: Principal Investigator
Title: A qualitative study of supervisor support for workers with chronic health conditions (LMRIS #12-04), PI: William S. Shaw.
- 2012 – 2014 Role: Co-investigator
Title: Diurnal variation of symptoms in chronic low back pain (LMRIS #12-02), PI: Raymond McGorry.
- 2011 – 2014 Role: Principal Investigator
Title: Multi-site randomized trial of a group self-management intervention for workers with chronic physical health conditions (LMRIS #11-08), PI: William S. Shaw.
- 2009 – 2012 Role: Principal Investigator
Title: Factors that affect supervisor support for job accommodation (LMRIS #09-01), PI: William S. Shaw.
- 2008 – 2010 Role: Principal Investigator
Title: Development of a self-management group intervention for workers with chronic pain (LMRIS #08-01), PI: William S. Shaw.
- 2005 – 2009 Role: Principal Investigator
Title: Development of a screening and early intervention protocol to prevent back disability (LMRIS #05-02), PI: William S. Shaw.
- 2001 – 2005 Role: Principal Investigator
Title: Development and testing of a supervisor training program for more effective response to workers with workplace injuries (LMRIS #01-04), PI: William S. Shaw.
- 2000 – 2004 Role: Principal Investigator
Title: Early risk prediction of chronic back disability (LMRIS #99-01), PI: William S. Shaw.

SCIENTIFIC REVIEW PANELS:

2004 – 2020	Multiple Study Sections, National Institute of Occupational Safety & Health (NIOSH)
May 2017	Israel Science Foundation (ISF)
Nov 2016	Worksafe BC Innovation at Work research program
Nov 2016	New York/ New Jersey Education and Research Center Pilot Projects Research

GOVERNMENT REPORTS:

1. Shaw, W.S., Gatchel, R.J., Christian, J., Toms-Barker, L. (2017). Improving pain management and support for workers with musculoskeletal disorders: Policies to prevent work disability and job loss. Volume 1: Policy Action Paper. Prepared for the Office of Disability Employment Policy, U.S. Department of Labor. Bethesda, MD: IMPAQ International, LLC.
2. Shaw, W.S., Gatchel, R.J., Christian, J., Toms-Barker, L. (2017). Improving pain management and support for workers with musculoskeletal disorders: Policies to prevent work disability and job loss. Volume 2: Resource compendium for musculoskeletal disorders and pain management. Prepared for the Office of Disability Employment Policy, U.S. Department of Labor. Bethesda, MD: IMPAQ International, LLC.

TRADE AND PROFESSIONAL PUBLICATIONS:

1. Shaw, W.S., Moore, G.V., Erdil, M. (February, 2019). Early return-to-work after musculoskeletal conditions: A pilot intervention program (RETAIN-CT) in Connecticut. *NECOEM Reporter*, pp. 5-7. New England College of Occupational and Environmental Medicine.
2. Shaw, W.S., Pransky, G., McLellan, B. (June, 2014). Managing chronic health problems at work: New study addresses strategies to address functional issues proactively. *NECOEM Reporter*, pp. 1-2. New England College of Occupational and Environmental Medicine.

KEYNOTE LECTURES:

1. Shaw, W.S. (October 4, 2018): *Employer practices and policies to manage and prevent disability*. Keynote lecture presented at the EUMASS Congress 2018, Maastricht, The Netherlands.
2. Shaw, W.S. (May 26, 2012): *The right rehabilitation for the right client*. Keynote lecture presented at the Alberta Occupational Rehabilitation Forum 2012, Edmonton, Alberta, CAN.
3. Shaw, W.S. (April 26, 2012): *Work-related musculoskeletal disorders and early return-to-work: Improving organizational support for ergonomic and administrative job modifications*. Keynote lecture presented at the "Return to work after injury" symposium sponsored by the Consortium for Advanced Research in the Gas Industry at the University of Wisconsin, Milwaukee, Wisconsin, USA.
4. Shaw, W.S. (Sept 15, 2009): *Workplace factors in rehabilitation and return to work: Translating research into practice*. Keynote lecture presented at the 2009 Annual Conference of the South Australian Work Cover Authority, Adelaide, South Australia, AUS.
5. Shaw, W.S. (May 8, 2008): *Early intervention in workplace injury*. Bradney W. Norington Lecture presented at the Combined Meeting of the Australasian Faculty of Rehabilitation Medicine and the Australasian Faculty of Occupational & Environmental Medicine, Adelaide, South Australia, AUS.

OTHER INVITED ADDRESSES

1. Shaw, W.S. (November 1, 2019). *Using psychosocial factors to guide early management of musculoskeletal pain*. Opioid use disorder and chronic pain management: Innovations in research and practice. Sponsored by the Center for Advancement in Managing Pain, University of Connecticut School of Nursing, Storrs, CT.
2. Shaw, W.S. (August 29, 2019). *Shall we focus on the individual, the organization, or the community?* Topical conference on pain in the 21st century: Where did we come from and where are we going? Sponsored by the Center for Health and Medical Psychology, Örebro University, Örebro, Sweden.

3. Shaw, W.S., Seidner, A. (May 17, 2019). *Facilitating stay at work/return to work after musculoskeletal injuries – RETAIN-CT: A Connecticut pilot project*. Annual meeting of the International Association of Rehabilitation Professionals, New England Chapter. Hartford, CT.
4. Kost, J., Zempsky, W., Shaw, W.S. (March 22, 2019). Pain management in Connecticut: Challenges, Innovations, and Research. Sponsored by the Connecticut Convergence Institute Science Café Series and Connecticut Pain Consortium, Hartford, CT.
5. Shaw, W.S. (December 4, 2018). *Emerging models of care: Stepped, stratified, or matched care*. Nonpharmacological approaches to pain management: a workshop. National Academy of Medicine, Washington, DC.
6. Shaw, W.S. (September 25, 2018). *Challenges in designing organizational and system-level interventions to prevent work disability*. IWH Speaker Series, Institute for Work & Health, Toronto, Ontario, CA.
7. Shaw, W.S., Hawkins, D., Pease, D. (April 23, 2018). *Opioids in the workplace: What role can we play?* Northeast Occupational Health Network (NEON) Conference, Chester, CT.
8. Shaw, W.S. (May 15, 2018). *Opioid prescribing and pain management in Workers' Compensation*. Guest Lecture Series, Yale Occupational and Environmental Medicine Program, New Haven, CT.
9. Shaw, W.S., Erdil, M. (August 2, 2018). *Low back pain and disability*. Medicine Grand Rounds, University of Connecticut Health Center, Farmington, CT.
10. Shaw, W.S. (January 3, 2018). *Opioids, pain management, and work disability: Recent policy recommendations*. Occupational Medicine Colloquium Series, University of Connecticut Health Center, Farmington, CT.
11. Shaw, W.S. (April 28, 2017). *Addressing the needs of workers with chronic or episodic illness*. Presented at the International Association of Rehabilitation Professionals New England, Spring 2017 Conference. Worcester, MA.
12. Shaw, W.S. (May 1, 2013). *The evidence for psychosocial screening tools in low back pain treatment*. Presented at the "American Occupational Health Conference, Orlando, FL.
13. Shaw, W.S. (August 29, 2012). *Evidence-based strategies for the early identification and management of occupational factors in the return-to-work process*. Presented at the "World Congress on pain" hosted by the International Association for the Study of Pain, Milan, Italy.
14. Shaw, W.S. (October 15, 2010). *Informal workplace supports and accommodations to prevent disability: Innovation or complication?* Presented at the "Impairment Without Disability" conference hosted by the Mayo Clinic and Park-Nicollet Medical Center, Minneapolis, MN.
15. Shaw, W.S. & Chin, E. (October 17, 2008). *Predictors of low back pain outcomes based on early patient interactions*. Presented at Occupational Medicine Grand Rounds, Harvard School of Public Health, Boston, MA.
16. Shaw, W.S. (October 10, 2008). *Addressing workplace and psychosocial concerns of patients at high risk of disability during the acute phase of low back pain*. Presented at the "Impairment Without Disability" conference hosted by the Mayo Clinic and Park-Nicollet Medical Center, Duluth, MN.
17. Shaw, W.S. & Pransky, G. (October 2, 2008): *Successful return-to-work coordinators: Keys to excellence*. Presented at the 19th Annual Conference of the Case Management Society of New England, Worcester, MA.

18. Shaw, W.S. (June 12, 2008): *Optimizing supervisor response to workplace injury*. Presented at the CIHR Work Disability Prevention Program, Sherbrooke University, Longueuil, Quebec, Canada.
19. Shaw, W.S. (May 21, 2008): *Optimizing supervisor response to workplace injury*. Presented at the monthly research forum of Concentra Health Sciences, Nashua, NH.
20. Shaw, W.S. (May 11, 2008): *Workplace Disability Prevention: Integrating Clinical and Workplace Strategies*. Presented at Pain Medicine Grand Rounds, University of Sydney at Royal North Shore University, Sydney, New South Wales, AUS.
21. Shaw, W.S. (May 10, 2008): *Methods for facilitating return-to-work*. Trainee workshop presented at the Combined Meeting of the Australasian Faculty of Rehabilitation Medicine and the Australasian Faculty of Occupational & Environmental Medicine, Adelaide, South Australia, AUS.
22. Shaw, W.S. (May 9, 2008): *Identifying and addressing workplace and psychosocial concerns through patient-provider interactions*. “Meet the Speaker” roundtable presented at the Combined Meeting of the Australasian Faculty of Rehabilitation Medicine and the Australasian Faculty of Occupational & Environmental Medicine, Adelaide, South Australia, AUS.
23. Shaw, W.S. and Nicholas, M.K. (May 6, 2008): *How can clinical psychologists best help people with work injuries return to optimal functioning?* Presented at a meeting hosted by the Institute of Private Practicing Psychologists, Adelaide, South Australia, AUS.
24. Shaw, W.S. (October 26, 2007): *Return-to-work requires a focus on the workplace: What the research shows*. Presented at the “Fitness for Duty II” conference hosted by DSI Work Solutions, Chicago, Illinois.
25. Shaw, W.S. (March 6, 2007). *Individual, workplace, and clinician interventions to improve return-to-work for work-related musculoskeletal conditions*. Presented at Örebro University, Department of Behavioral, Social, and Legal Sciences, Örebro, Sweden.
26. Shaw, W.S. (November 30, 2006). *Early risk predictors for acute low back pain*. Presented at the Annual Conference of the New England College of Occupational and Environmental Medicine, Bedford, MA.
27. Shaw, W.S., Linton, S.J., & Pransky, G. (October 23, 2006). *What predicts long-term disability or early return to work? A review of the evidence*. Presented at the 10th Journées annuelles de santé publique (JASP), Montréal, Canada.
28. Shaw, W.S. (August 18, 2006). *Ergonomic interventions for secondary prevention of musculoskeletal disorders*. Presentation at the 3rd Annual National Occupational Rehabilitation Conference, Boston, MA.
29. Linton, S.J. & Shaw, W.S. (June 15, 2006). *Development of a screening and early intervention protocol for preventing chronic back disability*. Presented at Pain Medicine Grand Rounds, Spine Center of the Dartmouth-Hitchcock Medical Center, Dartmouth, New Hampshire.
30. Shaw, W.S. (May 9, 2006). *Patient-provider communication in the treatment of acute low back pain*. Presented at Primary Care Grand Rounds, Center for Primary Care and Prevention, Brown University Medical School, Providence, Rhode Island.
31. Linton, S.J. & Shaw, W.S. (2006). *Who is fear and avoidant—patients or health care providers? Does it matter?* Presented at the Swedish Association of Orthopedic Practitioners. Varberg, Sweden.
32. Linton, S.J. & Shaw, W.S. (2006). *Cognitive-behavioral therapy for chronic pain: can it be prevented?* Presented at the Scandinavian Association for the Study of Pain. Stockholm, Sweden.
33. Linton, S.J. & Shaw, W.S. (2006). *Kognitiv beteendeterapi och muskuloskeletal besvar: vad fungerar och varför?* (Cognitive behavioral therapy and musculoskeletal pain: what works and why?). Invited plenary

presented at the Pain and Sensory Stimulation Conference. Linkoping, Sweden.

34. Feuerstein, M. & Shaw, W.S. (August 13, 2003). *Overcoming return to work problems*. Presented at the 6th annual Force Health Protection conference, Ergonomics Track, Albuquerque, NM.
35. Shaw, W.S. (August 7, 2002). *IDM Breakthrough: the power of enlightened supervision*. Presentation at the 7th annual meeting of the Disability Management Employers Coalition, San Antonio, TX.
36. Shaw, WS (April 29, 2002). *Addressing risk factors for musculoskeletal disability*. Presentation at the 2nd annual Department of Defense Ergonomics Conference – Forging ahead: Preventing work-related musculoskeletal disorders, Chantilly, VA.
37. Shaw, WS (March 21, 2002). *What do studies of disability duration suggest about doctor/patient communication?* Presented at the 8th annual Lewis H. Millender Occupational Medicine Conference, Newton, MA.
38. Shaw, WS (November 28, 2001). *Integrating workplace accommodation and problem-solving to manage work-related disabilities*. Presented at a meeting of the American Association of Occupational Health Nurses, New Hampshire Chapter, Concord, NH.
39. Shaw, WS (November 13, 2001). *Preventing disability after musculoskeletal injuries*. National Workers' Compensation and Disability Conference and Exhibit. Chicago, IL.
40. Shaw, WS (January 24, 2001). *The role of occupational health psychology in return to work initiatives*. Meeting of the Disability Management Employers Coalition, Boston Chapter. Boston, MA.
41. Shaw, W.S. (December 11, 2000). *Overcoming functional limitations of low back pain*. Paper presented at the fifth semi-annual Liberty Mutual Harvard Program Colloquium, Harvard School of Public Health, Boston, MA.

PEER-REVIEW SCIENTIFIC CONFERENCE PRESENTATIONS:

1. Kotejshyer, R., Kurowski, A., El Ghaziri, M., Punnett, L., Shaw, W.S., Cherniack, M. (2019, Nov.) *Understanding injury incident claims of corrections personnel with inmate custody*. Presented at the Annual Meeting of the American Public Health Association, Philadelphia, PA.
2. Namazi, S., Dugan, A., Fortinsky, R., El Ghaziri, M., Noel, J., Barnes-Farrell J., Shaw, W.S., Gaines, B., Cole, W., Cavallari, J., Cherniack, M. (2019, Nov.). *Traumatic incidents at work, work-to-family conflict, and depressive symptoms among correctional supervisors*. Presented at the Annual Meeting of the American Public Health Association, Philadelphia, PA.
3. Gross, D., Steenstra, I.A., Shaw, W.S., Yousefi, P., Bellinger, C., Zaïane, O. (2019, June). *Validation of the Work Assessment Triage Tool for selecting rehabilitation interventions for injured workers*. Presented at the 5th Scientific Conference on Work Disability Prevention and Integration, Odense, Denmark.
4. Gignac, M., Jetha, A., Breslin, C., Beaton, D.E., Van Eerd, D., Tompa, E.M., J.C., Smith, Franche, R.L., Saunders, R., Shaw, W.S., Irvin, E. (2019, June). *Challenges in accommodating mental and physical health conditions: What workplace parties are saying*. Presented at the 5th Scientific Conference on Work Disability Prevention and Integration, Odense, Denmark.
5. Peters, S.E., Shaw, W.S., Besen, E., Tveito, T.H., McLellan, R.K. (2019, June). *Subgroups of at-risk workers with chronic physical health conditions: from the MANAGE AT WORK randomized controlled trial*. Presented at the 5th Scientific Conference on Work Disability Prevention and Integration, Odense, Denmark.

6. Skarpaas, L.S., Haveraaen, L.A., Småstuen, M.C., Shaw, W.S., Aas, R.W. (2019, June). *Does coordination make a difference? Time to RTW in RTW-services in Norway*. Presented at the 5th Scientific Conference on Work Disability Prevention and Integration, Odense, Denmark.
7. Skarpaas, L.S., Haveraaen, L.A., Shaw, W.S., Aas, R.W. (2019, June). *Within the ring or crisscross? Integration of RTW-services in Norway*. Presented at the 5th Scientific Conference on Work Disability Prevention and Integration, Odense, Denmark.
8. Kristman, V.L., Armstrong, J.J., Corbière, M., Shaw, W.S., Harlos, K., Cernigoj, M. (2019, June). *Factors associated with supervisor support of job accommodations for common mental disorders in the workplace*. Presented at the 5th Scientific Conference on Work Disability Prevention and Integration, Odense, Denmark.
9. Dewan, N., Kristman, V.L., Armstrong, J.J., Shaw, W.S., Koné, A., MacDonald S. (2019, June). *Effect of supervisor training program on work-related musculoskeletal disability costs and workers' self-reported outcomes*. 52nd Annual Meeting of the Society for Epidemiologic Research, Minneapolis, MN.
10. Shaw, W.S. (2018, Jan). *Policy recommendations to prevent long-term disability associated with musculoskeletal pain*. UConn-UMass Lowell Semi-annual Sturbridge Symposium, Sturbridge, MA.
11. Kristman, V.L., Armstrong, J.J., Shaw, W.S. (2018, Oct). *A supervisor training program for work disability prevention: Preliminary results from a cluster randomized controlled trial*. Presented at CARWH 2018, a meeting of the Canadian Association for Research on Work and Health, Vancouver, British Columbia, Canada.
12. Gross, D.P., Steenstra, I.A., Shaw, W.S., Yousefi, P., Bellinger, C., Zaïane, O.R. (2018, Nov). *Validation of the Work Assessment Triage Tool (WATT) for selecting rehabilitation interventions for injured workers*. Presented at the Annual Meeting of the Society of Back Pain Research, Groningen, The Netherlands.
13. Shaw, W.S. (2018, May). *Low back pain in health care workers: a growing focus on secondary prevention*. Presented at the 32nd International Congress on Occupational Health, Dublin, Ireland.
14. Kristman, V.L., Armstrong, J.J., Viel, C., Corbiere, M., Shaw, W.S., Harlos, K., Cernigoj, M. (2018, May). *Supervisor and worker perspectives on workplace factors and job accommodations for mental health disorders in the workplace*. Presented at the 32nd International Congress on Occupational Health, Dublin, Ireland.
15. Peters, S.E., Besen, E., Tveito, T.H., McLellan, R.K., Shaw, W.S. (2017, June). *Subgroups of at-risk workers with chronic physical health conditions: from the MANAGE AT WORK trial*. Presented at the 12th International Conference on Occupational Stress and Health. Minneapolis, MN.
16. Besen, E., Tveito, T.H., McLellan, R.K., Shaw, W.S. (2017, June). *Short-term outcomes from the MANAGE AT WORK trial: a self-management group intervention to overcome workplace challenges associated with chronic physical health conditions*. Presented at the 12th International Conference on Occupational Stress and Health. Minneapolis, MN.
17. Shaw, W.S., Tveito, T.H., Besen, E., McLellan, R.K. (2017, June). *The Job Leeway Scale (JLS): Exploratory factor analysis and reliability of a new self-report scale assessing health-related job flexibility*. Presented at the 12th International Conference on Occupational Stress and Health. Minneapolis, MN.
18. Shaw, W.S. (2017, May). *Addressing the needs of workers with chronic or episodic illness*. Presented at the Employee Assistance Professionals Association 37th Annual Spring Symposium. Waltham, MA.

19. Shaw, W.S., Gaines, B., Nelson, C.C., Woiszwilllo, M.J. (2016, June). Benefit of early or immediate return-to-work on back pain and function persists after controlling for multiple confounds. 9th International Scientific Conference on the Prevention of Work-Related Musculoskeletal Disorders (PREMUS). Toronto, Canada.
20. Reguly, P., Kristman, V.L., Shaw, W.S. (2013, June). *Supervisor and organizational factors associated with supervisors' support for work accommodation for low back pain injured workers*. Presented at the 2013 Canadian Society for Epidemiology and Biostatistics Biennial Conference. St. John's, Newfoundland, CA.
21. Shaw, W.S., Tveito, T.H., Boot, C.R.L., McLellan, R.K. (2013, May). *A group intervention to improve job function in workers with chronic pain: Development and validation*. Presented at the Work, Stress, and Health Conference. Los Angeles, CA.
22. Shaw, W.S. (2013, April). *The evidence for psychosocial screening tools in low back pain treatment*. Presented at the Annual Meeting of the American College of Occupational & Environmental Health. Orlando, FL.
23. Shaw, W.S., Reme, S.E., Pransky, G., Steenstra, I.A., Linton, S.J. (2012, October). *The Pain Recovery Concerns (PRC) questionnaire: a 46-item patient-centered screening measure to guide early intervention strategies for preventing back disability*. Presented at the Second Scientific Conference on Work Disability Prevention and Integration. Groningen, The Netherlands.
24. Shaw, W.S., Reme, S.E. (2012, October). *The centrality of organizational support in the return-to-work process*. Presented at the Second Scientific Conference on Work Disability Prevention and Integration. Groningen, The Netherlands.
25. Shaw, W.S., Tveito, T.H. (2012, October). *The relevance of existing chronic pain self-management programs to the workplace*. Presented at the Second Scientific Conference on Work Disability Prevention and Integration. Groningen, The Netherlands.
26. Tveito, T.H., Shaw, W.S. (2012, October). *Targeting the workplace challenges of workers with chronic pain*. Presented at the Second Scientific Conference on Work Disability Prevention and Integration. Groningen, The Netherlands.
27. Shaw, W.S., Main, C.J., Johnston, V. (2011, February). *Identifying and managing client-based occupational concerns to prevent back disability*. Presented at the 2011 Combined Sections Meeting (CSM) of the American Physical Therapy Association (APTA). New Orleans, Louisiana.
28. Brouwer, S., Franche, R.L., Hogg-Johnson, S., Lee, H., Krause, N., & Shaw, W.S. (2010, September). *Association between self-efficacy and readiness for return-to-work in a cohort of injured workers with work-related musculoskeletal conditions*. Presented at the 7th International Conference on the Prevention of Work-Related Musculoskeletal Disorders (PREMUS). Angers, France.
29. Shaw, W.S., Linton, S.J., Steenstra, I.A., & Pransky, G. (2010, September) *Development of the Inventory of Pain, Recovery Expectations, and Concerns (IPREC): A patient-centered screening tool to match working adults to early intervention for low back pain*. Presented at the 7th International Conference on the Prevention of Work-Related Musculoskeletal Disorders (PREMUS). Angers, France.
30. Shaw, W.S., Linton, S.J., Huang, Y.H., & Pransky, G. (2010, September) *Development of the Return-To-Work Self-Efficacy (RTWSE) questionnaire: Psychometric properties and predictive validity*. Presented at the 7th International Conference on the Prevention of Work-Related Musculoskeletal Disorders (PREMUS). Angers, France.
31. McGorry, R.W., Shaw, W.S., & Lin, J.H. (2010, September). *Pain attenuation and its relationship to function in a longitudinal low back pain cohort*. Presented at the 7th International Conference on the Prevention of Work-Related Musculoskeletal Disorders (PREMUS). Angers, France.

32. Tveito, T.H., Shaw, W.S., Huang, Y.H., & Wagner, G. (2010, September). *Managing low back pain in the workplace – problems and strategies: a focus group study*. 1st Scientific Conference on Work Disability Prevention and Integration (WDPI). Angers, France.
33. Shaw, W.S., Pransky, G., & Winters, T. (2010, May). *Patient-centered communication and short-term recovery from acute, work-related low back pain*. 2010 American Occupational Health Conference (AOHC) sponsored by the American College of Occupational and Environmental Medicine. Orlando, Florida.
34. Tveito, T.H. & Shaw W.S. (2009, October). *Managing low back pain in the workplace – problems and strategies*. Presented at the Work, Stress, & Health Conference. San Jose, Puerto Rico.
35. Shaw, W.S. & Pransky, G. (2008, September). *The Back Disability Risk Questionnaire: predicting persistent pain and dysfunction*. Presented at the 3rd ICOH International Conference on Psychosocial Factors at Work, Quebec City, Quebec, Canada.
36. Shaw, W.S. (2008, August). *Initial consultation for acute low back pain: Impact of psychosocial factors on provider and patient communication*. Presented at the 12th World Congress on Pain, Glasgow, Scotland.
37. Shaw, W.S., Pransky, G., Hong, Q.N., Loisel, P. (2008, March). *A systematic review of workplace interventions employing return-to-work coordinators*. Presented at the Work, Stress, & Health Conference, Washington, DC.
38. Shaw, W.S. & Pransky G. (2007, August). *Return-to-work facilitator competencies: a literature review of coordination activities and training*. Presented at the 6th International Scientific Conference on the Prevention of Musculoskeletal Disorders, Boston, MA.
39. Shaw, W.S. Pransky, G., & Robertson, M. (2007, August). *How to engage and develop supervisor competencies to improve RTW outcomes*. Presented at the 6th International Scientific Conference on the Prevention of Musculoskeletal Disorders, Boston, MA.
40. Shaw, W.S. & Pransky, G. (2007, March). *Transition from sub-acute to chronic low back pain in workers' compensation: Screening of workplace and psychosocial risk factors*. Presented at the 28th Annual Meeting & Scientific Sessions, Society of Behavioral Medicine, Washington, DC.
41. Shaw, W.S. & Pransky, G. (2007, March). *Does patient-provider discordance in health care orientation affect disability outcomes for acute low back pain?* Presented at the 28th Annual Meeting & Scientific Sessions, Society of Behavioral Medicine, Washington, DC.
42. Shaw, W.S., Means-Christensen, A.J., Slater, M.A., Patterson, T.L., & Atkinson, J.H. (2006, March). *Psychosocial correlates of work disability in first onset low back pain*. Presented at the Annual Meeting of the Society of Behavioral Medicine, San Francisco, CA.
43. Shaw, W.S. & Verma, S.K. (2006, March). *Cluster analysis to identify risk subsets for early intervention of acute low back pain*. Presented at the Annual Meeting of the Society of Behavioral Medicine, San Francisco, CA.
44. Shaw, W.S. & Robertson, M.M. (2006, March). *Improving supervisor support to prevent workplace disability*. Presented at the 6th International Conference on Occupational Stress and Health, Miami, FL.
45. Shaw, W.S., Gatchel, R.J. (2005, August). *Combining early functional restoration and workplace transition interventions for high-risk patients with acute, occupational low back pain*. Presented at the 11th World Congress on Pain, Sydney, Australia.
46. Robertson, M.M., Shaw, W.S., Pransky, G., and McLellan, R.K. (2004, September). *Designing a Supervisory Training Program to Optimize Injury Response: A Macroergonomics Approach*. Presented at the Human Factors and Ergonomics Society 48th Annual Meeting, New Orleans, LA, pp. 1591-1595.

47. Feuerstein, M., Shaw, W.S. (2004, July). *A randomized, controlled trial of case management services to overcome barriers to work related to upper extremity disorders*. Presented at the 5th International Scientific Conference on Prevention of Work-Related Musculoskeletal Disorders. Zurich, Switzerland.
48. Shaw, W.S., Pransky, G. (2004, March). *Assessing pain and function with an interactive voice response system: Evaluation of selection and information bias*. Presented at the Annual Meeting of the Society of Behavioral Medicine, Baltimore, Maryland.
49. Shaw, W.S., Pransky, G., Zaia, A. (2004, March). *Patient-provider communication to facilitate recovery from acute low back pain*. Presented at the Annual Meeting of the Society of Behavioral Medicine, Baltimore, Maryland.
50. Shaw, W.S., Feuerstein, M., Gatchel, R.J., Pransky, G. (2004, March). *Psychosocial and work-related factors in subacute musculoskeletal rehabilitation and return to work*. Presented at the Annual Meeting of the Society of Behavioral Medicine, Baltimore, Maryland.
51. Shaw, W.S., Pransky, G. (2004, March). *Perceptions of self-efficacy and work demands predict early outcomes of acute, occupational low back pain*. Presented at the Annual Meeting of the Society of Behavioral Medicine, Baltimore, Maryland.
52. Pransky, G., Shaw, W.S., Patterson, W., Winters, T. (2003, May). *Early disability risk assessment in occupational low back pain*. Presented at the American Occupational Health Conference, Atlanta, Georgia.
53. Shaw, W.S., Feuerstein, M., Miller, V.I., Wood, P.M. (2003, March). *Problem solving skills training for return to work*. Presented at the 5th International Conference on Occupational Stress and Health, Toronto, Canada.
54. Shaw, W.S., Feuerstein, M., Miller, V.I. (2002, August). *Functional limitation and pain in work-related upper extremity disorders*. Presented at the annual meeting of the American Psychological Association, Chicago, Illinois.
55. Shaw, W.S., Pransky, G., Fitzgerald, T.E., Patterson, W., Winters, T. (2002, May). *Returning to work after acute occupational low back pain: A multiple site study of prognosis*. Presented at the Montreal International Forum V for Primary Care Research on Low Back Pain, Montreal, Canada.
56. Feuerstein, M., Shaw, W.S., Miller, V.I. (2001, September). *An evidence-based approach to integrated case management for work-related upper extremity disorders*. Presented at the annual meeting of the Robert Wood Johnson Foundation Workers' Compensation Health Initiative, Newport, Rhode Island.
57. Shaw, W.S., Pransky, G. (2001, July). *What factors contribute to low back disability after an acute onset of occupational low back pain?*. Presented at the semi-annual meeting of the Workers' Compensation Research Group, Chicago, Illinois.
58. Shaw, W.S., Feuerstein, M., Miller, V.I. (2001, March). *Return to limited duty after a work related upper extremity disorder: Role of perceived functional limitations and workplace ergonomic exposure*. Presented at the annual meeting of the Society of Behavioral Medicine, Seattle, Washington.
59. Shaw, W.S. (2000, July). *Optimizing employer response to occupational health concerns and reports of injury*. Presented at the semi-annual meeting of the Workers' Compensation Research Group, East Lansing, Michigan.
60. Shaw, W.S., Feuerstein, M., Miller, V.I., Lincoln, A.E., Berger, R.H., & Wood, P.M. (2000, June). *Ergonomics and workplace accommodation to improve outcomes in a large workers' compensation system*. Presented at the annual meeting of the Rehabilitation Engineering and Assistive Technology Society of North America (RESNA), Orlando, Florida.

61. Shaw, W.S., Feuerstein, M., & Haufler, A.J. (2000, April) *Problem solving strategies, function, and mental health in occupational low back pain: Implications for secondary prevention*. Presented at the Annual Meeting of the Society of Behavioral Medicine, Nashville, Tennessee.
62. Feuerstein, M., Shaw, W.S. (2000, March). *Measurement properties of the Calendar of Premenstrual Experience (COPE) for Premenstrual Syndrome*. Presented at the 47th Annual Scientific Meeting of the Society for Gynecologic Investigation, Chicago, Illinois.
63. Feuerstein, M., Shaw, W.S., Miller, V.I., Berger, R.H., Wood, P.M., & Rodriguez, L. (1999, September). *Challenges in development and implementation of an Integrated Case Management intervention in the Federal workers' compensation system*. Presented at the Annual Program Meeting of the Robert Wood Johnson Foundation Workers' Compensation Health Initiative, Berkeley, California.
64. Shaw, W.S., Patterson, T.L., Semple, S.J., Dimsdale, J.E., & Grant, I. (1998, March). *Ambulatory blood pressure and emotional expression among spousal Alzheimer's caregivers*. Presented at the Annual Meeting of the Society of Behavioral Medicine, New Orleans, LA.
65. Shaw, W.S., Patterson, T.L., Grant, I., & Dimsdale, J.E. (1998, March). *Is suppressed hostility in Alzheimer's caregivers associated with higher resting blood pressure?* Presented at the Annual Meeting of the American Psychosomatic Society, Clearwater Beach, FL
66. Shaw, W.S. (1998). *The effect of inhibition of hostility on blood pressure in stressed Alzheimer caregivers*. Unpublished doctoral dissertation, University of California, San Diego/ San Diego State University, San Diego, California.
67. Semple, S.J., Patterson, T.L., Jeste, S., Shaw, W.S., & Grant, I. (1997, April). *HIV+ parents: relationship of economic strain to parental role functioning*. Presented at the 18th Annual Meeting of the Society of Behavioral Medicine, San Francisco, CA.
68. Shaw, W.S., Patterson, T.L., Semple, S.J., Grant, I., & Jeste, D. (1997, April). *Antecedents and consequences of non-medical service use among older patients with psychoses*. Presented at the 18th Annual Meeting of the Society of Behavioral Medicine, San Francisco, CA.
69. Shaw, W.S., Patterson, T.L., Semple, S.J., Ho, S., Irwin, M.R., Hauger, R.L., & Grant, I. (1996, April). *Predicting health change among caregivers to Alzheimer's patients*. Presented at the Annual Meeting of the Fourth International Congress of Behavioral Medicine, Washington, DC.
70. Shaw, W.S., Patterson, T.L., Dimsdale, J.E., Semple, S.J., & Grant, I. (1996, March). *Elevated supine blood pressure among spousal caregivers is related to anxiety and hostility*. Presented at the Annual Meeting of the American Psychosomatic Society, Williamsburg, VA.
71. Shaw, W.S., Patterson, T.L., Semple, S.J., Jeste, D.V., & Grant, I. (1995, August). *Use of formal services among older psychosis patients*. Presented at the Annual Meeting of the American Psychological Association, New York, NY.
72. Shaw, W.S., Patterson, T.L., Semple, S.J., Hauger, R.L., Irwin, M.R., & Grant, I. (1995, August). *Placement and bereavement outcomes among spousal caregivers of Alzheimer's patients*. Presented at the Annual Meeting of the American Sociological Association, Washington, D.C.
73. Shaw, W.S., Patterson, T.L., Semple, S.J., & Grant, I. (1995, March). *A path model to predict mental and physical health outcomes among older spousal caregivers of Alzheimer's patients*. Presented at the 16th Annual Meeting of the Society of Behavioral Medicine, San Diego, CA.

74. Shaw, W.S., Patterson, T.L., Semple, S.J., Grant, I., Zhang, M., He, Y., & WU, W. (1995, March). *A Cross-cultural validation of primary coping factors among Shanghai and San Diego Alzheimer's caregivers*. Presented at the 16th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
75. Landrum, K., Shaw, W.S., & Cronan, T.A. (1994, April). *Are general or specific health status measures better predictors of health care use?* Presented at the Annual Meeting of the Society of Behavioral Medicine, Boston, MA.
76. Reynoso, L., Shaw, W.S., & Cronan, T.A. (1994, April). *Is health status of osteoarthritic patients related to site of affliction?* Presented at the meeting of the Rocky Mountain Psychological Association, Las Vegas, NV.
77. Shaw, W.S., Lee, R.E., & Cronan, T.A. (1994, April). *Physical health and demographic risk factors for depression among elderly osteoarthritis patients*. Presented at the Annual Meeting of the Society of Behavioral Medicine, Boston, MA.
78. Cronan, T.A. & Shaw, W.S. (1994, April). *Health care utilization among elderly osteoarthritis patients*. Presented at the Annual Meeting of the Society of Behavioral Medicine, Boston, MA.
79. Shaw, W.S., Lee, R.E., & Cronan, T.A. (1994, April). *Health care satisfaction among older people with osteoarthritis*. Presented at the meeting of the Society of Behavioral Medicine, Boston, MA.
80. McClean, C., Shaw, W.S., & Cronan, T.A. (1994, April). *Learned helplessness and depression as predictors of health care utilization*. Presented at the meeting of the Rocky Mountain Psychological Association, Las Vegas, NV.
81. Shaw, W.S., Gallagher, R.A., & Cronan, T.A. (1993, April). *Measuring osteoarthritis severity in an experimental manipulation of social support*. Presented at the meeting of the Western Psychological Association, Phoenix, AZ.
82. Shaw, W.S., Cronan, T.A., & Christie, M.D. (1993, April). *Predicting drop-outs among older participants in health interventions*. Presented at the meeting of the Western Psychological Association, Phoenix, AZ.
