

CURRICULUM VITA

T. Greg Rhee, PhD

Title: Assistant Professor of Medicine (Psychiatry) and Public Health (Health Policy and Management)

Revised date: January 4, 2021

Note: This CV is a brief version highlighting grantsmanship and publications only.

Contact Information:

Work:

Mailing address: 263 Farmington Avenue, Farmington, CT, 06030

Physical location: 195 Farmington Avenue, Suite #U-2022, Farmington, CT, 06032

E-mail: rhee@uchc.edu

Office phone: +1-860-679-5487

Faculty Appointments:

Primary:

2019-present Assistant Professor, Department of Public Health Sciences,¹ School of Medicine, University of Connecticut, Farmington, CT

2019-present Assistant Professor, The Graduate School, University of Connecticut, Storrs, CT

2019-present Faculty Affiliate, Institute for Collaboration on Health, Intervention, and Policy (InCHIP), University of Connecticut, Storrs, CT

Secondary or Affiliated:

2019-present Adjunct Assistant Professor, Department of Psychiatry, School of Medicine, Yale University, New Haven, CT

2019-present Investigator, Mental Illness Research, Education and Clinical Centers (MIRECC) of New England, US Department of Veterans Affairs (VA) Connecticut Healthcare System, West Haven, CT

Education:

IB Jakarta International School (International Baccalaureate), 06/2004

AB Emory University (Economics and Mathematics), 05/2008

AM (MSW) The University of Chicago School of Social Service Administration (Psychiatric Social Work), 06/2011

PhD University of Minnesota College of Pharmacy (Social and Administrative Sciences in Pharmacy), 04/2017

Postdoctoral Yale University School of Medicine (Geriatric Clinical Epidemiology), 01/2019

Research Interests:

Psychiatric epidemiology; social psychiatry; mood disorders; substance use and substance use disorders; pharmaco-epidemiology; mental health services research and policy; geriatric

¹ Previously known as Department of Community Medicine and Health Care.

pharmacotherapy; social gerontology; post-market surveillance of prescription drugs; and healthcare disparities and minority health

Grant History:

Current Grants:

Agency: Racial Justice Research Fund (RJRF), Indiana University and Purdue University at Indianapolis (IUPUI)

ID# N/A

Title: “Racial and ethnic disparities in prevalence, severity, and comorbidity of mental illnesses during the COVID-19 pandemic”

PIs: Saahoon Hong, PhD

Role on the project: Consultant

Percent effort: 0.05 FTE

Total costs for project period: \$14,552

Project period: 02/01/2021 – 01/31/2022

Agency: UConn Institute for Collaboration on Health, Intervention, and Policy (InCHIP)

ID# N/A

Title: “Social isolation, loneliness, and interventional approaches with low-income older adults during the Covid-19 pandemic”

PIs: Taeho Greg Rhee, PhD and Jean J. Schensul, PhD

Role on the project: Contact Principal Investigator

Percent effort: N/A

Total costs for project period: \$15,000

Project period: 07/01/2020 – 06/30/2022

Agency: NIH/NIMH

ID# R21 MH117438S1 (Supplemental Grant to R21 MH117438)

Title: “Electroconvulsive therapy and health outcomes in older adults with co-occurring dementia and depression”

PI: Samuel T. Wilkinson, MD

Role on the project: Subcontract Principal Investigator

Percent effort: 0.25 FTE

Requested total costs: \$221,529

Project period: 07/01/2020 – 01/31/2021

Agency: NIH/NIMH

ID# R21 MH117438

Title: “Effects of electroconvulsive therapy on suicide in geriatrics patients with major depressive disorder: A nationwide cohort study using propensity score matching and instrumental variable analysis”

PI: Samuel T. Wilkinson, MD

Role on the project: Subcontract Principal Investigator

Percent effort: 0.05 FTE

Direct costs per year: \$200,000

Total costs for project period: \$460,625

Project period: 02/05/2019 – 01/31/2021

Grant Proposals Under Review or In Preparation:

I currently have three R-type NIH grants, including one R01 proposal as a PI, that are currently under review. In addition, I have three additional NIH proposals that are in preparation.

Past Grants:

Agency: American Foundation for Suicide Prevention

ID# N/A

Title: “Effects of electroconvulsive therapy on suicide attempts in geriatrics patients with depression”

PI: Samuel T. Wilkinson, MD

Role on the project: Subcontract Principal Investigator

Percent effort: 0.05 FTE

Direct costs per year: \$42,353

Total costs for project period: \$84,706

Project period: 08/01/2018 – 07/31/2020

Agency: HHS/HRSA and University of Connecticut School of Nursing

ID# HRSA-14-070 and Internal Seed Grant from School of Nursing

Title: “Geriatric outreach and training with care (GOT Care!): An Inter-professional Geriatric Academic-Practice Innovation”

PI: Millicent M. Malcolm, DNP, GNP-BC, APRN

Role on the project: Co-Investigator

Percent effort: 34 hours

Direct costs per year: \$3,400

Total costs for project period: \$14,934.00

Project period: 04/01/2019 – 12/31/2019

Agency: NIH/NIA

ID# T32 AG019134

Title: “Research training in geriatric clinical epidemiology”

PI: Thomas M. Gill, MD

Role on project: Postdoctoral Fellow

Percent effort: 1.0 FTE

Direct costs per year: \$318,324

Total costs for project period: \$1,561,940

Project period: 05/01/2017 – 04/30/2021

Agency: University of Minnesota Clinical and Translational Science Institute (CTSI)

ID# N/A

Title: “Social support and exercise for community-dwelling adults with diabetes”

PI: Alana R. Dopp, BS

Role on project: Co-Investigator

Percent effort: 0.5 FTE

Total costs for project period: \$5,088.00

Project period: 07/01/2006 – 06/30/2008

Agency: University of Minnesota Academic Health Center

ID# N/A

Title: “Integrative therapies and healing practices for wellbeing in diverse populations”

PI: Pamela Jo Johnson, MPH, PhD

Role on project: Research Fellow
Percent effort: 0.5 FTE
Total costs for project period: \$120,000
Project period: 09/01/2014 – 08/31/2016

Agency: Urban Institute
ID# 08350-024-000
Title: “The Medicaid atlas: Beta-testing of the Medicaid atlas mental health component”
PI: Ezra Golberstein, PhD
Role on project: Research Consultant
Percent effort: 0.3 FTE
Total costs for project period: \$21,000
Project period: 10/01/2013 – 01/31/2014

Agency: NIH/NCI
ID# R21 CA155531
Title: “Mobile phone text messaging intervention for cervical cancer screening”
PI: Hee Yun Lee, PhD
Role on project: Research Assistant
Percent effort: 0.5 FTE
Total costs for project period: \$345,311
Project period: 01/19/2011 – 06/30/2013

Bibliography:

†Note: Underlined authors are corresponding authors; italicized authors are degree-seeking students or mentees; and last authors are senior authors.
