

# Curriculum Vitae

Megan A. O'Grady, PhD

University of Connecticut

School of Medicine

Department of Public Health Sciences

**Office Address:**

263 Farmington Ave.  
Farmington, CT 06030-6325

**Office Phone:** (860) 679-5483

**Email:** ogrady@uchc.edu

## Education

---

**PhD, Applied Social Psychology** 2005-2009  
Colorado State University (Fort Collins, CO)

**MA, General Psychology** 2003-2005  
Southeastern Louisiana University (Hammond, LA)

**BA, Psychology** 1994-1998  
Kent State University (Kent, OH)

## Research Interests

---

Addiction health services research, implementation science, substance use intervention and integrated care models, technology for substance use intervention and treatment, social-contextual factors related to drinking alcohol

## Professional Academic and Research Positions

---

**Assistant Professor (tenure-track)** University of Connecticut, School of  
Public Health Sciences Medicine, Farmington, CT  
**Year:** 7/2020-present

**Associate Vice President** Center on Addiction  
Health Services Research New York, NY  
**Year:** 1/2020-7/2020

**Adjunct Research Associate Professor** Icahn School of Medicine at Mt. Sinai  
Department of Psychiatry New York, NY  
**Year:** 8/2018-7/2020

**Adjunct Assistant Professor** Yale School of Medicine  
Department of Psychiatry New Haven, CT  
**Year:** 7/2016-7/2018

**Associate Director** Center on Addiction  
Health Services Research New York, NY  
**Year:** 9/2014-3/2020

**Research Scientist** Center on Addiction  
Health Services Research New York, NY  
**Year:** 8/2011-7/2020

# Curriculum Vitae

**Postdoctoral Research Fellow**  
Departments of Psychiatry and Community  
Medicine & Health Care  
Year: 8/2009-8/2011

University of Connecticut School  
of Medicine, Alcohol Research Center  
Farmington, CT

## **Funding**

---

### **Current Funding**

**NIH/NIDA** (Lincourt, Burke, Neighbors, MPis)  
9/30/23-9/29/28

*Person-centered quality measurement and management in a system for addictions treatment in New York State*

This study will establish a Center for Quality Management and Metrics (QM2) that will include three projects to establish quality metrics, person-centered care measures, and a stepped-wedge trial testing the QM2.

Role: **Co-Investigator; Subcontract Principal Investigator**

**SAMHSA/Screening, Brief Intervention, and Referral to Treatment/SBIRT** (Kapoor, PI)  
6/30/23-6/29/28

*Addressing Substance Use as Part of Usual Care: Using SBIRT as a Foundational Approach in Pediatric and Specialized Patient Populations*

This study will implement and evaluate screening, brief intervention, and referral to treatment services to address substance misuse/disorder in pediatric, urgent care, and pain clinic settings.

Role: **Co-Investigator; Subcontract Principal Investigator**

**SAMHSA/Prevention Prescription Drug/Opioid Overdose-Related Deaths** (Shah, PI)  
6/30/23-6/29/28

*Connecticut Preventing Prescription Drug/Opioid Overdose Deaths*

Support the CT Department of Mental Health and Addiction Services in evaluating overdose prevention among first responders.

Role: **Lead Evaluator; Subcontract Principal Investigator**

**PCORI** (Hogue, PI)  
3/1/23-2/28/28

*Adolescent-Only SBI versus Family-Based SBI in Primary Care for Adolescent Alcohol Use*

This study will compare the effectiveness of Screening and Brief Intervention (SBI) for adolescent alcohol and other drug use in primary care when implemented in its standard version as an adolescent-only model (SBI-Standard) versus as a family-based model that systematically includes a primary caregiver in all activities (SBI-Family).

Role: **Co-Investigator; Subcontract Principal Investigator**

**State of CT Contract/Department of Mental Health and Addiction Services** (O'Grady, PI)  
10/1/22-9/30/24

*Center for Prevention Evaluation and Statistics: American Rescue Plan Act (ARPA) Supplemental Funds*

We will conduct a Community Resource Assessment of alcohol, tobacco and other drug prevention and mental health promotion programs and services provided within the state and assist in planning for monitoring surveillance of State cannabis data to inform the CT Department of Mental Health and Addiction Services (DMHAS) prevention initiatives.

Role: **Principal Investigator**

# Curriculum Vitae

**State of CT Contract/Department of Mental Health and Addiction Services (O'Grady, PI)**  
10/1/22-9/30/24

*SAMHSA State Opioid Response-3 (SOR3) Prevention Initiative Evaluation*

Supports the evaluation of CT Department of Mental Health and Addiction Services (DMHAS) opioid prevention initiatives across the state as part of the SAMHSA-funded state opioid response, including academic detailing for prescribers/providers and recovery friendly workplaces.

Role: **Principal Investigator**

**NIH/NIDA: 1R61DA057683-01** (Neighbors, Jordan, Bao, MPis)

9/30/22-9/29/27

*Leveraging regulatory flexibility during the COVID-19 pandemic to improve engagement and retention in treatment for opioid use disorder: A stepped wedge randomized trial to facilitate clinic level changes*

This two-phased project will develop then test a multidimensional intervention for opioid treatment programs to address clinical decision making, regulatory confusion, legal liability concerns, capacity for clinical practice change, and financial barriers to new take-home methadone dosing rules.

Role: **Co-Investigator; Subcontract Principal Investigator**

**SAMHSA SPF-PFS: 1H79SP083332-01** (Welch, PI)

9/30/22-9/29/27

*State of CT Strategic Prevention Framework-Partnerships for Success*

This project, in collaboration with the CT Department of Mental Health and Addiction Services, will work with 12 high risk, underserved communities across the State to increase their capacity to address underage drinking.

Role: **Sub-contract Principal Investigator; Lead Project Evaluator**

**State of CT Contract/Department of Mental Health and Addiction Services (O'Grady, PI)**

7/1/22-6/30/26

*The DMHAS Center for Prevention Evaluation and Statistics (CPES) at UConn Health*

Supports the Prevention and Health Promotion Unit of the CT Department of Mental Health and Addiction Services (DMHAS) in its efforts through the identification, collection, analysis, interpretation and dissemination of data pertaining to substance use prevention, mental health, and health disparities as well as evaluation services and data curation.

Role: **Principal Investigator**

**NIH/NIDA: R01DA054976** (Doran, PI)

5/1/22-3/31/27

*Implementation of Overdose Prevention Practices in Permanent Supportive Housing*

While evidence-based practices to prevent overdose (OD) exist, they have not been broadly implemented in permanent supportive housing (PSH) settings. This study addresses this research to practice gap by tailoring a set of evidence-based OD prevention practices for PSH settings, then studying their implementation in 20 PSH buildings in New York. A package of implementation strategies will be tested that includes an implementation toolkit, tenant-staff implementation champion dyads, limited practice facilitation, and learning collaboratives.

Role: **Consultant**

**NIH/NIDA: R01DA054141** (Neighbors, PI)

4/1/22-2/28/27

# Curriculum Vitae

*Addictions treatment organizational response to COVID-19: Impact on disparities in quality of care*

This mixed-methods study will examine the enduring impacts of COVID-19 pandemic (e.g., use of telehealth) on the addiction outpatient treatment system, including examining resulting racial/ethnic disparities in treatment outcomes.

Role: **Co-Investigator; Subcontract Principal Investigator**

**NIH/NIAAA: 1R21AA029734** (O'Grady, PI)

3/1/22-2/29/24

*Implementing Mobile Technology for Unhealthy Alcohol Use in Emergency Departments*

This study will examine barriers and facilitators to staff offering and patients accepting a text messaging intervention in emergency departments. We will then use a stakeholder-engaged Intervention Mapping process to develop a multi-component implementation strategy for emergency departments and conduct a mixed method 2-arm cluster-randomized pilot study in 4 emergency departments.

Role: **Principal Investigator**

**NIH/NIDA: 1UG1DA050071** (Elkington, Wainberg, & Nunes, MPis)

7/15/19-4/30/24

*Facilitating opioid care connections: System level strategies to improve use of MAT and movement through the opioid care cascade for defendants in a new Opioid Court system.*

In this Justice Community Opioid Innovation Network Clinical Research Center (JCOIN), we will develop and evaluate an Opioid Court Model (OCM) implementation intervention, OCM RISE (Rigorous Implementation Science for Effectiveness), using a type 2 hybrid implementation-effectiveness trial. The goal is to enhance delivery by building cross-system partnerships and tailoring implementation to diverse NY counties.

Role: **Co-Investigator; Subcontract Principal Investigator**

**NIH/NIDA: 1R33DA049252** (Neighbors & Lincourt, MPis)

7/15/19-6/30/24

*Coaching Performance Driven Practice Change in the Context of Value Based Purchasing Under New York Medicaid*

The aim of the project is to develop and test quality measures as well as a practice facilitation model to improve addiction treatment clinics' use of medication for opioid use disorders, retain clients longer in care, and improve recovery outcomes. At the end of the project, we will have developed specific training and coaching protocols as well as electronic clinical support tools to guide quality improvement that can be disseminated within New York and the rest of the country.

Role: **Co-Investigator; Project Director; Subcontract Principal Investigator**

## **Submitted Funding Under Review**

N/A

# Curriculum Vitae

## Completed Funding

**NIH/NIAAA: R01AA025947** (Wainberg, PI)

9/20/18-8/31/23

*Community I-STAR Mozambique: Community implementation of SBIRT using technology for alcohol use reduction in Mozambique*

Using a type 2 implementation-effectiveness trial, the study will examine the implementation and effectiveness of two different strategies to train and supervise community health workers in Mozambique to sustainably provide community-based services to reduce hazardous drinking using the efficacious Screening, Brief Intervention, Referral to Treatment (SBIRT).

Role: **Co-Investigator; Subcontract Principal Investigator**

**SAMHSA: H79SM085201** (Mormile, PI)

8/31/21-8/30/23

*Certified Community Behavioral Health Clinic Expansion (CCBHC Expansion Grant)*

In collaboration with Catholic Charities of the Archdiocese of Hartford, this project will implement the SAMHSA-funded Certified Community Behavioral Health Clinic Expansion (CCBHC Expansion Grant). The UConn Health team will be responsible for providing consultation and oversight for the federally mandated data collection and performance measurement component.

Role: **Sub-contract Principal Investigator; Lead Project Evaluator**

**NIA/Aging Research in Criminal Justice & Health (ARCH) Network Pilot Grant** (Barry, PI)

6/1/22-5/31/23

*Assessing Geriatric conditions as novel risk factors for dropout among those seeking treatment for substance use disorders (SUDs) in mid-to-late life: The role of incarceration history*

We will apply a precision-gerontology approach to identify geriatric conditions in persons seeking SUD treatment after mid-to-late life reentry as a novel means of distinguishing who may be at greater risk of SUD treatment dropout. We will also meet with stakeholders (e.g., SUD clinic directors) to identify attitudes towards, facilitators of, and barriers to integrating a precision-gerontology approach to SUD treatment as a means of optimizing services outcomes.

Role: **Co-Investigator**

**NIH/NIDA: L30 DA054662-01** (O'Grady, PI)

7/1/21-4/30/23

*NIH Loan Repayment Program (LRP): Improving Quality of Care for People with Substance Use Disorders*

Role: **Principal Investigator**

**Lifespan/Brown University CJRT Pilot Award** (Choi, PI)

1/1/22-12/31/22

*Exploring coordination of care and interorganizational relationships to improve women's access to substance use disorder treatment: Criminal justice, child protective services, and treatment organization perspectives*

The Lifespan/Brown Criminal Justice Research Training Program on Substance Use and HIV is a NIDA R25-funded supplemental training program based at The Miriam Hospital/Brown University

Role: **Mentor** (in-kind)

**New York State Contract** (Neighbors, PI)

# Curriculum Vitae

11/1/16-12/31/22

*Development of the Level of Care Determination Tool for New York State*

Develop level of care determination technology tools for New York State substance use and gambling treatment providers and evaluate them using state-level data.

Role: **Co-Investigator; Subcontract Principal Investigator**

**State of CT Contract/Department of Mental Health and Addiction Services** (Ungemack, PI)

1/1/21-9/29/22

*State Opioid Response-2 (SOR-2)*

Supports the evaluation of CT Department of Mental Health and Addiction Services (DMHAS) opioid prevention initiatives across the state as part of the SAMHSA-funded state opioid response, including public awareness campaigns, school-based curriculum, academic detailing for prescribers/providers, parent education, and recovery friendly workplaces.

Role: **Co-Principal Investigator; Lead Project Evaluator**

**SAMHSA: 1H79SM080251** (Greenfield, PI)

9/30/17-7/31/22

*New York State Promoting Integration of Primary and Behavioral Health Care*

The aim of this project is to address the complex healthcare challenges of individuals with opioid use disorders and other medical and mental health needs. We will roll out a model of integrated care that brings together healthcare partners—opioid treatment programs, federally qualified health centers, and mental health clinics—in a sustainable and replicable way and disseminate lessons learned.

Role: **Sub-contract Principal Investigator; Lead Project Evaluator**

**NIDA: 1R01DA043122** (Elkington, PI)

8/1/16-6/30/22 (NCE)

*Seek, Test, Treat and Retain For Youth and Young Adults Living with or at High Risk for Acquiring HIV (Link2Care)*

The primary aim of this type 1 effectiveness-implementation hybrid trial is to develop and test a new service delivery model, Link2CARE, for criminal justice involved youth entering an urban alternative sentencing program to: 1) increase HIV, STI and substance use screening, 2) reduce HIV and substance use risk, and 3) increase linkage to HIV, STI and substance use disorder treatment services. We will also study implementation using mixed methods.

Role: **Co-Investigator; Subcontract Principal Investigator**

**UConn COVID-19 Rapid Start Funding (COVID-RSF)** (O'Grady & Cunningham, PIs)

11/1/20-10/31/21

*An evidence-based intervention for increasing COVID-19 prevention behavior among health disparity populations in the Hartford, CT region*

The objective is to adapt an evidence-based intervention originally developed for improving oral health to promote COVID-19 prevention behaviors among health disparity and vulnerable populations, including individuals with opioid use disorder, in the Hartford, CT region.

Role: **Co-Principal Investigator**

**SAMHSA: 1H79TI081718** (Burke, PI)

9/30/18-9/29/20

*NYS OASAS State Opioid Response: Developing the Substance Use Disorders Treatment Progress Assessment*

# Curriculum Vitae

The goal of this project is to develop, in collaboration with New York State OASAS, a tool that substance use disorder treatment providers can use to assess treatment progress and outcomes as well as monitor treatment quality.

Role: **Co-Investigator and Technology Implementation**

**SAMHSA: 1H79TI080811** (Greenfield, PI)

9/30/17-9/29/20

*Centers of Treatment Innovation for Opioid Use Disorder*

The aim of this project is to create and implement three county-specific models of care that will focus on providing comprehensive substance use disorder medication assisted treatment (MAT) services to individuals who either historically have not received treatment services or were not able to access MAT. The goal is to reduce potential for overdose and relapse in these targeted communities.

Role: **Project Evaluator**

**NIAAA: R34AA024589** (Morgenstern and Conigliaro, MPis)

5/1/16-3/30/20

*Collaborative Care for Alcohol Use Disorders in a Patient-Centered Medical Home*

The primary aim is to develop and test a chronic care model to treat excessive drinking (ED) and alcohol use disorder (AUD) in patient-centered model homes (PCMH). Using a mixed methods approach, this study adapts the collaborative care model for depression to treat ED/AUD in a PCMH and then test its efficacy using a pilot RCT.

Role: **Co-Investigator**

**SAMHSA: 1U79TI025102** (Burke, PI)

8/01/13-7/31/18

*Building Sustainable SBIRT in Integrated Hospital Systems in New York*

This project supports implementation of Screening, Brief Intervention, and Referral to Treatment (SBIRT) in regions devastated by Hurricane Sandy. The project includes putting a strong emphasis on building a sustainable model for incorporating SBIRT into primary care and emergency medicine that can be replicated throughout the State as well as development of technology products to ease SBIRT implementation.

Role: **Project Coordinator and Evaluator**

**National Council for Behavioral Health** (Campbell, PI)

5/01/17-9/30/17

*Achieving Screening, Brief Intervention, and Referral to Treatment Practice Transformation*

The aim is to build a practice change package to support the widespread, consistent dissemination, replication, and expansion of the SBIRT model in primary care practices to prevent and treat substance use problems. This practical toolkit for primary care practitioners will assist with SBIRT and substance use treatment implementation.

Role: **Technical Writer and Consultant**

**SAMHSA: 1U79TI1023470** (Yu, PI)

9/01/11-08/31/16

*New York Screening, Brief Intervention and Referral to Treatment*

The aim is to implement SBIRT into STD clinics in New York City and primary care and emergency department sites in collaboration with the New York State Office on Alcoholism and Substance Abuse Services (OASAS).

Role: **Consultant**

# Curriculum Vitae

## **New York State Health Foundation** (Morgenstern, PI)

8/01/11-12/31/13

*Developing Sustainable Screening and Brief Intervention Programs for Substance Use Disorders in Primary Care for the Poor in New York State*

The aim is to develop effective strategies to implement Screening, Brief Intervention, and Referral to Treatment within urban primary care settings.

Role: **Co-Investigator**

## **NIAAA: Loan Repayment Program** (O'Grady, PI)

10/1/10-9/30/12

*Putting the relationship between social anxiety and alcohol use into context*

Role: **Principal Investigator**

## **NIAAA: Ruth L. Kirschstein NRSA Postdoctoral Fellowship** (Bauer, PI)

8/01/09-7/31/11

*Alcohol Research Center: University of Connecticut School of Medicine*

Role: **Postdoctoral Research Fellow**

Principles of Implementation Science (PUBH5497) Dept. of Public Health Sciences, University of Connecticut School of Medicine	Fall 2021
Social & Behavioral Foundations of Public Health (PUBH5405) Dept. of Public Health Sciences, University of Connecticut School of Medicine	Spring 2021 & 2022
Social Psychology Research Lab (PSY317) Psychology Department, Colorado State University	2006-2009 (11 sections)
Health Psychology (PSY492) Psychology Department, Colorado State University	Spring 2007
Social Psychology (PSY315) Psychology Department, Colorado State University	Fall 2006
Teaching Assistant, Statistics Lab Psychology Department, Southeastern Louisiana University	Summer 2004

## **Advising:**

### Current Students:

#### *Primary Advisor/Chair:*

- Adekemi Suleiman, University of Connecticut Public Health PhD program
- Yang Liu, University of Connecticut Public Health PhD program
- Corbinian Wanner, University of Connecticut MD/MPH program
- Malcolm Newmark Hamilton-Hall, University of Connecticut MD/MPH program
- Steven Kim, University of Connecticut MD/MPH program
- Angela Head, University of Connecticut, MPH program
- Julianne Ceruti, University of Connecticut, MPH program
- Mirela Mujcinovic, University of Connecticut, MPH program
- Ramsey Louis Williams, University of Connecticut, MPH program

#### *Thesis/Capstone Committee Member:*

- Mona Copeland, University of Connecticut MPH program
- Jamie Dudyak, University of Connecticut MPH program

### Former (Graduated) Students:

#### *Primary Advisor/Chair*

- Vijay Kodumudi, University of Connecticut MD/MPH program
- Kevin Iglesias, University of Connecticut MD/MPH program
- Megan Rouillard, University of Connecticut, MPH/PhD program

#### *Thesis/Capstone Committee Member:*

- Shivani Kaneria, University of Connecticut MPH program
- Stephanie Testa, University of Connecticut MPH program
- Patrick Muro, University of Connecticut MPH program
- Kayla Marshall, University of Connecticut MPH program
- Alversia Wade, University of Connecticut MPH program
- Ghalib Shaikh, University of Connecticut MD/MPH program

# Curriculum Vitae

- Kii Coker, University of Connecticut MPH program
- Chloe Francis, University of Connecticut MPH program
